

Empower, inspire, collaborate, achieve

Lenovo hybrid classroom solutions for higher ed

Build a borderless campus with connected classrooms

Lenovo hybrid classroom solutions enable seamless collaboration for learning anywhere. Our ready-to-go kits transform any classroom or lecture hall into a flexible hybrid environment — easy to use, remotely manageable, and complete with Lenovo Premier Support.

Beyond providing synchronous learning for hybrid students, Lenovo virtual learning solutions allow you to:

- Connect classrooms for collaboration
- Bring expert professors into multiple classrooms across a campus or system
- Host guest speakers
- Provide flexibility in learning options
